## Education

Bachelor of Science in Computer Animation.  
Art Institute of Philadelphia, Philadelphia PA.  
Winter Class of 2002. 3.5 gpa.

## Work Experience

### Jan. 2012 – Present: MEDIA BOX STUDIOS:

Helped deliver excellent quality courseware as a 3D designer using Cinema 4D, Photoshop CS, After Effects and Flash CS every day. I have also received a **Secret Clearance**. Set up and rendered scenes and shots in 3D software for use in Computer Based Training (CBT) Courseware. I was also effective in delivering GUI icons, web design and maintenance, helpdesk operation, concept drawings and artwork, print work as well generating various logo and graphic solutions when needed. I assisted in developing courseware in Flash for IUSS for submariner training with the US Navy. Helped develop and wireframe numerous app interfaces for tablets and smartphones. I am also now experienced with 3D printing and prototyping.

### Sept. 2011- Jan 2012: WRIGHT STRATEGIES LLC:

Working on contract to provide web graphics, logos, banners, web splashes, GUI icons and other graphics utilizing Photoshop, Illustrator and Dreamweaver for a firm that specializes in privacy and security consulting.

### 2003- Aug. 2011: GLOBAL COMPUTER ENTERPRISES, INC.:

Lead Graphic Designer in the Creative Design Department for a fast paced IT company for over 7 years. Head artist and designer working in high stress environment with teams of technical writers and developers to produce and win numerous multi-million dollar proposals from the Federal Government. Responsible for all proposal cover artwork as well as all diagrams, workflows, posters, CD jackets and 2D and 3D animations. I developed and maintained numerous project websites as well as the GCE corporate website and I designed 3D animations, videos, and graphics for various federal departments such as DHS, DOL, USCG, GSA and TSA. I created every icon and button used in GCE's GUI design as well as all website header graphics. I managed and maintained all help files for GCE software using RoboHelp as well as all the CBT in Flash. I have also designed all GCE business cards, T-shirts, promotional items, advertisements, the outdoor as well as indoor GCE signage.

### 97-98 and Mar. 02- Nov. 02: ASAP PRINTING AND DESIGN:

Advanced in the Art and Design Department as a full time artist. Worked with Adobe Illustrator, Adobe Photoshop, Freehand, and pen & ink full time to produce promotional items and T-shirt designs in an art studio environment.

### Spring/Summer 2000: MTV ANIMATIONS:

Worked on MTV shows: Daria, Spy Groove, and Downtown. Assisted Background Artists and Digital Painters.
